Products & Services:

- Main Low Voltage Switchboard
- Motor Control Center Panels
- Industrial Outdoor Panels
- Fire Protection Control Panels
- ACMV Control Panels
- Instrumentation Control Panels
- Sewage Pumping Station Motor Control Panel
- Customised 19" data server / EMC racks
- Customised main consoles

Key Capabilities:

- Customisation
- Quick turnaround
- Engineering design service
- Sheet metal fabrication capability
- Type Tested LV Switchboard

Equipment List:

- Trumpf Turret Punch
- Trumpf Bending
- Amada Press Brake
- EHRT CNC Busbar Bending & Punching
- CNC Lathe & Milling
- Powder Coating & Baking Facility

Industries served:

Inter Power Engineering serves a wide variety of industries and committed to build a diverse client base.
